

Melbourne Pathology collection centres

Melbourne Pathology operates two different types of collection centres - standard collection centres and premium collection centres.

Standard collection centres

Melbourne Pathology currently has just under 300 standard collection centres conveniently located throughout greater Melbourne and regional Victoria, offering a quality service to patients without requiring an appointment.

[Click here](#) for a full list of our standard collection centres including opening hours and additional information.

'By arrangement' collection centres

Melbourne Pathology also offers 'by arrangement' collection centres for patients who would like the convenience of a specific collection time. Appointments at these collection centres must be made in advance and incur a \$60 booking fee that is not rebatable by Medicare.

To make an appointment at one of the 'by arrangement' collection centres listed below, please call 0417 330 089 or 0418 395 314 Monday to Friday, between 9am and 5pm.
