

Health fund agreements

These agreements allow us to bill your fund directly for your pathology services while you are an inpatient in hospital. Melbourne Pathology and Epworth Pathology have agreements with the health funds listed below.

If you have eligible cover with one of the private health funds listed below, you will not incur any out-of-pocket expenses for Medicare rebatable tests.

If you have health insurance cover with a health fund that is not listed below, or you are a self-funded patient, please see the 'Gap protection policy' at www.mps.com.au.
