

Information for Doctors

Telehealth pathology requests

Telehealth pathology requesting is now available via eOrder through your practice management system (PMS). Please ensure a mobile or phone number is included for your patient. A request form will be made available to your patient by SMS.

Complete an eOrder using Medical Director

As this is an online process that relies on multiple technologies and network stability, we require doctors to submit a signed agreement acknowledging and accepting these conditions.

- In order to use this option, eOrdering must be activated on your PMS
- When referring pathology, enter 'telehealth' into the clinical notes
- Click Print/Send

Please ensure you keep a hardcopy of the referral for 30 days.
